We will need Proposers and 2<sup>nd</sup> er's for all roles

MS talk about membership numbers at AGM

- 4) CP presented Accounts to date, all much as forecast early 22, now setting aside £250 year for marks, less prizes needed this year will reduce costs slightly.

We agreed to keep subs as is for now. The main reason for the reduction in Club funds was the Year without income due to Corona Virus.

- 5) Review of membership drive-

Possible members Gary Dak and Delerium, Panda, Will Smythe of Itchenor bob wrote to him 2019, Guy to ask him again

Word of mouth appears to be the most useful method, by joining other clubs events/races will be good for getting new members

- 6) 2022 program and prize giving.

Whiskey glasses for this year- Why are passage races not well attended this year?

We had 15 races, 6 bay, 9 passage races

- 7) 2023 Committee, Program, maybe try Cobnor Activities centre and use Andy's ferry or Bosham S.C with their own tender

CCRC could host an open early season weekend with a social at Northney or Safari at Itchenor or The Ship?

Lets Include all outside races as Part of CCRC series,

8) Handicap systems- working well, we discussed merits of going with new RYA base.

Stick with NHC for now. Discussion about various options
